RE: UNITED STATES v. VICTOR GORDON
NO.: 11CR-517 (KAM)

To: Clerk of Courts for the Eastern District of New York:

I am requesting that sentencing in the above-captioned matter be continued from April 23, 2013 at 11:00 AM as the defense needs additional time to respond to the Pre-Sentence Investigation Report prepared on March 22, 2013. The Government has no objection to this request and agrees with counsel that this matter necessitates more time than usual to prepare. Due to vacation schedules, the Government has requested that sentencing be rescheduled for at least a July date. However, defense has no unattached trial time until August and respectfully requests an August date.

Counsel avers that the defendant has been briefed on the need for additional time and has no objection thereto.

Thank you for your consideration herein.

Respectfully,

DANIEL-PAUL ALVA, ESQ.
